Mary 2 3 4 5 6

You ne-ver seem to know dear, when

Piano

Mary 7 8 9 10 11 12

my cheek turns. You ne-ver seem to know dear, how my heart yearns. If

Piano

Mary 13 14 15 16 17 18

on - ly I could show dear, what plea-sures would a - wait. If on - ly I could show dear how you

Piano

Mary

ti - til - late If show - ers of flow - ers could wake up your heart,

Mary

I'd buy all the flow - ers if I thought it would start A

Mary

ro - mance to blos - som when win - ter grows cold And o - pen your eyes.

Mary

to my charms. I'd

Mary

39 40 41 42 43 44

like you to know dear, with - out be - ing told. I'd like you to know dear, that

Mary

45 46 47 48 49 50

I'm grow - ing old, While I wait for your love dear, I could freeze here in this place. I

Mary

51 52 53 54 55 56

wait for your love dear and it's a dis - grace. If show - ers of flow - ers could

Mary

57 58 59 60 61

wake up your heart, I'd buy all the flow - ers if I thought it would start

Mary

62 63 64 65 66 67

— A flame in your soul that would kin-dle with mine,— And o-pen your eyes

Mary

68 69 70 71 72

— to my charms.

Mary

73 74 75 76 77 78

Why do you de - mure When you ought to be sure— That my love for you is

Mary

79 80 81 82 83 84

real? There's on - ly one cure That my heart can en - dure— At

Mary 85 86 87 88 89 90

least that's how I feel! If kis-ses were wish-es you'd

Mary 91 92 93 94 95

blush if you knew.— I've wished for your kis- ses, dear, the whole eve-ning through.

Mary 96 97 98 99 100

— I want you to know you're the man of my dreams— And I

**rit.** . . . . . **meno mosso**

Mary 101 102 103 104 105 106

want to feel safe— in your arms. So don't waste a mo-ment.

Mary

107 108 109 110 111

Let me show you how. Please kiss me. Just

Mary
